

TOILET TRAINING POLICY

The policy of St. Lawrence O'Toole Early Childhood Learning Center is that all children are required to be fully toilet trained and able to take care of their own bathroom needs. Teacher/assistants are not permitted to wipe the children after they have used the bathroom. In case of an emergency where a child has diarrhea or defecated in his/her pants, the parents or the emergency contact will be called. In extreme emergencies, children will be assisted appropriately.

Wipes will be available for the children's use. In addition, disinfectant spray cleaner is routinely used by the teacher/assistants after each session and in other necessary situations.
