Women's Cornerstone Retreat October 4-5, 2019

The Churches of St. Lawrence O'Toole and Sacred Heart invites you to our Women's Cornerstone Retreat. Come and spend a little over 24 hours in faithful introspection, prayer, and camaraderie with other women who share their faith and friendship. This retreat delivers a break from the routines and demands of everyday life, but also promises a rest in the Lord's Presence.

Our Cornerstone team has planned delicious meals and will provide accommodations for an overnight stay at St. Lawrence O'Toole. We hope by the end of your weekend, you will be ready to go back into the world with the gift of a renewed relationship with the Lord and the blessing of new friendships.
