July 10-August 28

7:30 pm-9:00 pm

NEW YORK ROOM

This 8-session study is like a helicopter ride over the time-line of salvation history revealing the story woven throughout Scripture. It allows us to see the “big picture” of the Bible and recognize that the Old Testament prophesizes the New Testament and the New Testament fulfills the Old. Together they reveal our Father’s unending love for all of us since time began. This is the perfect introductory program for people interested in starting to read the Bible as well as those who have read parts and want to understand the bigger story.
